Program Highlights

- Exceeded Service Goals: **Over 130 students participated** in our year-round mentoring and redirection programs—surpassing our original target of 120.
- Revived Mentoring for Girls: Recognizing a renewed need in the community, we **relaunched our girls' mentoring program** after a period of dormancy. This initiative ensures that young women receive the same consistent support, skill-building, and empowerment that have shaped our work with boys for years.
- STEM & Leadership Development: Our students engaged in **enhanced STEM learning and leadership-building** experiences that encouraged curiosity and self-confidence.
- Transformational Exposure Experience – **Men on a Mission: The Journey Trip for Young Men** – 2025 with plans for a female trip also in 2026.

This past year reaffirmed what we already know—when we give young people support, structure, and access, they rise. Each milestone we achieved so far in 2025 reflects the heart of our mission and the power of consistent investment in our youth.

Greetings Partners, Stakeholders, and Friends,

We are thrilled to announce our upcoming **16th Annual Partnership Awards Dinner**, taking place on **Friday, March 6, 2026**. Each year, the RESULTS Mentoring team gathers to celebrate our students and recognize the extraordinary impact that our community partnerships make possible. This festive evening will raise much-needed funds to expand mentoring and tutoring opportunities for students across metropolitan Detroit.

RESULTS Mentoring is a power-packed organization dedicated to helping schools and parents support at-risk students. We provide redirection and mentoring services—at no cost to many of the families we serve—thanks to the generosity of supporters like you. Through strong partnerships with local courts and probation officers, RESULTS Mentoring also delivers low-cost, customized programs for youth deemed “incorrigible,” giving them a second chance and a positive path forward to avoid the juvenile justice system.

RESULTS Mentoring’s programs have demonstrated outstanding results. We have helped over 5,000 students through our program. Since 2007, students completing our program have achieved an **average 29% increase in test scores**, along with an **85% reduction in suspension rates**. Beyond measurable academic gains, our students show remarkable growth in confidence, accountability, and resilience—skills that last a lifetime.

Our **Annual Partnership Awards Dinner** is the cornerstone event that celebrates this important work. In collaboration with our valued partners, this year’s celebration will continue to highlight the life-changing impact of mentoring and the power of collective community action.

We invite you to **support RESULTS Mentoring’s mission to empower youth and change lives** by sponsoring the **16th Annual Partnership Awards Dinner**. Sponsorship information is attached, and we look forward to sharing an inspiring evening with you on **Friday, March 6, 2026**.

With appreciation,

Trevor Lauer

Dear Taxpayer:

This is in response to your Nov. 29, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in December 2007.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
